

MS AMADEUS ROYAL

River cruises on Europe's most beautiful waterways

AMADEUS ROYAL, a member of the prestigious Amadeus Premium fleet, ranks among the most beautiful passenger vessels plying Europe's great rivers. All the spacious state-rooms have river views, with those on the Mozart-Deck featuring large French balconies. On the Strauss-Deck, the cabins have large sliding panoramic windows, on the Haydn-Deck fixed windows. The state-of-the-art vessels, combined with professional service and hospitality, lend a very special touch of luxury to the AMADEUS ROYAL. Additional facilities for discriminating passengers, such as a fitness room, a walking track, a putting green and the AMADEUS Club – a separate lounge with inviting, deep armchairs – give passengers plenty of space, thus turning these exemplary ships into veritable oases of passenger comfort.

“Amadeus” – the premium class of river vessels

The true aim of our cruises is the total satisfaction of our passengers - and looking after them as well as we possibly can is standard practice. The crew made up of selected employees on our Amadeus vessels will take expert care of you throughout your cruise, anticipating your every wish. The vessels of the Amadeus fleet set new standards as far as inland waterways are concerned. Each one features superbly designed, spacious state rooms with modern bathrooms. All the cabins are on the outside, and have spacious glass facades; their panoramic windows can be partially opened, while some cabins even have French balconies. The public areas are well-designed for top-class cruise enjoyment. The glorious sundeck with the generous sun shades, its lido bar and “fun pool”, putting green and walking track are inviting places for people to relax and take their time, as are the elegant Amadeus Club, the ship’s library, the wellness area with the fitness room, the on-board shop and hairdressing salon.

Clean air

All the ships we own are operated as non-smoking vessels, but smoking is naturally permitted on their sundecks.

Total safety ahead!

Travelling on an “Amadeus”-vessel is one of the most exciting and yet safest ways of criss-crossing Europe, along its great rivers and canals. We are working closely with international river-cruising experts to ensure a safe and smooth journey. Vessels of the “AMADEUS”-fleet are state of the art in every possible respect.
